Renewing your library books online

On the Library page of the cathedral website, click on ‘search our catalogue’:

This takes you to the catalogue entry page. Click on ‘Enter library’:

Log in on the right hand side at the top. You’ll need your library card. The reader code is the bar code letter/number combination beginning ROO. The PIN should be written on the back of the card. If you haven’t renewed your membership in the last six months or so, your PIN may have been given to you separately. If you’ve lost it, email the library and we will send you a new one.
Now you should see your details. To renew your books click on the number by ‘loans’ on the side of the screen:

To renew a loan, follow the on-screen instructions (tick the box next to the item you wish to renew, and click on the ‘renew’ button):

The date and renewal details should update. You’ll be able to see the new due date, and how many times you have renewed your item:

If you have already renewed twice, email the library and we will do it manually for you: library@stalbanscathedral.org
